

10/07/99

RADAC meeting

09:00-11:00

- I. Tim Turner gave a RADAC CORBA demonstration
 - The presentation can be found under the Proposed Design section of this page (above), or at:
http://www.wff.nasa.gov/~RADAC/slides/CORBA_demo_files/frame.htm
 - More information about CORBA can be found at the following link:
<http://www.cs.wustl.edu/~schmidt/corba-urls.html>

- II. Tom
 - Work on getting PC's and boards
 - Get with Jay about people resources
 - Sounds as if we should go with CORBA on a small scale to integrate the filter test bed

- III. Donna
 - Look into interface boards
 - Tim is available to attend RADAC team meetings via telecom

- IV. Comments
 - Tim is available to attend RADAC team meetings via telecom
 - **Next meeting** - 10/14/99
