

11/18/99

RADAC meeting

1:00 - 2:30

- I. Command and Control Toolkit
  - Literature handed out
  - Seems to address more of our issues now
  - Customizing would still need to take place
  - Try to have them come give another demo tailored to our needs
  - Look over the handouts and their web site: <http://www.cctcorp.com/>
  
- II. Comments
  - Index cards given out for ideas, concerns, suggestions....
  - Manpower/ resources becoming more of a concern
  - **Next meeting** - to be announced (whenever Jay is available to attend)
